This is a lot of info. It helps to get it summarized in a meeting and speak one on one with those who know.				

. A follow up Summit with a similar format would be useful. (17) Yes or No

f yes, what suggestions would you make for improvements or changes?

Need to ensure goals have been achieved that was discussed.
Set goals, objectives, Grades?—Educate Legislators
A report of input being used for future improvement that will benefit those present!
A follow up meeting 6 months to 1 year is a MUST. We need to meet again to see if any changes have been made. Thanks.
Follow up with key points of what we left with – make detail on how grants and/or loans can be utilized/obtained and how we can give you what you want in order for us to get what we need.
Give us all the information possible in writing. Brochures, pamphlets, program outlines.
Include other "players" or potential "players", Bankers, State legislators, Federal legislators
Invite Banks, legislators, and get all County Execs
Have state and federal elected officials present

Do you have any concerns or needs which were not discussed:
